OFA/Eye Limited Guarantee

Goshen Swamp makes the following non-transferable limited health guarantee with respect to hereditary hip/elbow dysplasia or retinal dysplasia: Within twenty-four months of sale, if the dog has not been sold or bred and if the dog develops **hereditary** hip/elbow dysplasia or retinal dysplasia as determined by a licensed veterinarian as set forth below, Goshen Retrievers will provide the buyer with a replacement puppy having value equal to the dog's original purchase price subject to the following conditions:

1. The value of the replacement puppy will be determined by Goshen Retrievers in its sole discretion. The replacement puppy will be provided when available. If you choose to receive a replacement puppy of a higher breeding and/or price, the price of the dog covered by this guarantee will apply towards the higher price of the new puppy.
2. At the time of claim, the Buyer must provide proof of AKC registration showing that the registered owner matches the buyer of the puppy.
3. For claims relating to hip or elbow dysplasia, an OFA (Orthopedic Foundation for Animals, Inc.) reading/report by a licensed veterinarian dated within twenty-four months of sale must be provided to Goshen Swamp. Goshen Retrievers has the right to require a second opinion due to variations in technique and position while x-raying.
4. For claims relating to retinal dysplasia, a reading/report by a certified canine ophthalmologist dated within twenty-four months of sale must be provided to Goshen Swamp.
5. All veterinary and medical expenses after the sale, including tests for hip/elbow dysplasia or retinal dysplasia are the responsibility of the Buyer. Goshen Retrievers assumes no responsibility for any veterinary and medical expenses incurred after the sale. The guarantee is null and void if the buyer does not provide proper nutrition, care and veterinary visits for the pup. Dysplasia due to injury, neglect, or overweight animals is not covered by this guarantee, only **hereditary** dysplasia.
6. This guarantee expires upon the first to occur of the following: (a) when the dog is sold, (b) when the dog is bred or (c) twenty-four months after the sale by Goshen Retrievers to the buyer.
7. All guarantee claims must be submitted to Goshen Retrievers in writing within twenty six months of sale.
8. For females, radiographs must **not** be taken within 30 days before or after her heat cycle. All dogs must have proper positioning and meet OFA standards.
9. If the Buyer is notified that a guarantee claim has been accepted by Goshen Retrievers, within sixty days of the notification, the Buyer must submit veterinary proof to Goshen Retrievers that the original dog has been spayed or neutered. If the Buyer fails to do so, the guarantee shall expire and Goshen Retrievers shall have no further obligations.
10. The replacement puppy will not be provided unless and until all conditions are met within the time required.
